

FISHBOURNE *EVENING* WI

for fun & friendship NO jam & NO *Jerusalem*

Fishbourne Evening Women's Institute was formed in May 1982 to cater for those who were unable to attend a WI meeting during the day, and has more the 'Cheese and Wine' style rather than the 'Jam and Jerusalem' image.

We aim to create:

- Fun and Friendship
- Laughter and Learning
- Caring and Sharing

We meet on the fourth Wednesday of each month, except August, at 7.45pm at St. Peter's Place, by the church on the Main Road, and offer a programme of talks and demonstrations on a wide variety of topics, in a friendly environment, as well as a choice of social activities. Visitors are always welcome.

A Wall Hanging of the Village created in 1993 is displayed in the Fishbourne Centre – where we used to meet until our numbers grew.

There is an active Scrabble & Rummikub Group and another playing Mahjong - see meeting dates page. We also have an enthusiastic Craft group.

We enjoy outings to places of interest, regular walks in the countryside and join in Village activities such as the Village Fete. In the summer we have a summer garden lunch, and an annual lunch at or around Christmas.

We offer the chance to:

- Make new friends
- Learn new skills
- Get involved and have fun

The WI is open to all women of all ages, is non-sectarian and non-party political.
